Her professional experience includes expertise in liquidity management, contingency planning, financial modeling, developing and implementing operational and financial performance improvement initiatives and in-court and out-of-court restructurings

While at Portage Point, Alyssa has provided operational and financial leadership to various organizations, often developing and implementing value creation plans and building departmental processes and standards, financial budgets and forecasts, monthly reporting packages and KPIs and liquidity management processes from the ground up

Alyssa recently operated as Interim Chief Financial Officer at Teligent, Inc., a public, distressed pharmaceutical company. Her efforts focused on leading the finance organization through the bankruptcy process, improve and streamline financial reporting and manage liquidity and reporting tools. Alyssa also operated as restructuring advisor where she supported Teligent through a chapter 11 bankruptcy and delivered \$90 million of value to key stakeholders through the sale of three separate assets (ANDAs, Canada pharmaceutical marketing business and US manufacturing plant)

Other notable engagements include leading a full business turnaround project for a promotional products

designer, manufacturer and distributor. Her primary role included developing short-term and long-term income statement and cash flow projections to better manage performance amid COVID-19 headwinds. She led the finance team through implementation of liquidity management standards, including daily cash and disbursement management. She also supported the sales and purchasing team to manage purchase orders and improve demand forecasting. Alyssa also represented a \$300 million global technology solutions provider for public transit as Financial Advisor and developed a valuation analysis of the Company's enterprise value for the board and sponsor

Prior to joining Portage Point, Alyssa was in the Transaction Advisory Group at Alvarez & Marsal where she provided financial and operational due diligence support for private equity and strategic parties during the pre-close diligence stages. Prior to joining Alvarez & Marsal, Alyssa was at Deloitte within the M&A Transaction Services Group. She has worked on over 100 transactions primarily in the Distribution, Industrial, Chemical, Retail, Services, Automotive, Life Sciences / Pharmaceutical, Aerospace & Defense and other Consumer Product industries with enterprise values ranging from \$50 million to over \$4 billion

Alyssa graduated from the Gies College of Business at the University of Illinois with a Masters in Accounting and a Minor in Finance and is a Certified Public Accountant
